PROFESSIONAL EXPERIENCE

AMP Clean Energy, London, UK

Oct. 2020 –

Project Development Manager – AMP Clean Energy is a specialist funder, developer and owner of clean energy assets. Our projects include biomass and solar PV installations for private, industrial users of energy as well as flexible energy plants to assist in grid balancing.

- Analysis and modelling of clients' energy profiles and finances to assess their requirements and the optimal solution.
- Ensuring customer success through enabling and managing clear and professional communication between internal stakeholders and clients; chairing of project calls; developing and maintaining project plans; delivering project update presentations.
- Management of the pipeline of projects in development and the tracking of those in delivery; coordinating key actions and monitoring contractual obligations.

Gresham Technologies, London, UK

Dec. '19 – Aug. 2020

Project Manager – Gresham Tech. is a leading software and services company that specialises in providing real-time transaction control and enterprise data integrity solutions.

- Leadership of implementation projects: management and planning of delivery phases; developing and maintaining project plans; managing project scope, budget and resources; coordinating key actions; chairing project meetings; proactively updating customers on the project status.
- Leading post-project reviews, identifying areas for process improvement and lessons to be learned.
- Analysis of department KPIs to evaluate progress and potential for strategy improvement.
- Initiated internal quarterly newsletters and monthly committee meetings to promote wider company engagement.

ADM Capital, London, UK

Jul. – Aug. 2019

Analyst Intern – London & Hong Kong based Private Equity Firm, \$1.6bn AUM

- Worked on ADM's CIBUS Fund, which focuses on mid-market investment opportunities in sustainable food processing and production companies, principally across Europe and Australasia.
- Provided market and company-specific research, coordinated global fundraising distribution and presentation support. Worked on a deep-dive project on alternative proteins and the potential disruption to the existing global meat market.

Galileo Argentina SG Asset Management, Buenos Aires, Argentina

Apr. – Jun. 2019

Analyst Intern – Argentinian Asset Management Firm

- Rotated between different funds, including Fixed Income, Event Driven, Argentinian Equities and Mercosur Equities.
 - Received basic training in fundamental company analysis, portfolio management and fund allocation.

Ernst & Young Transaction Advisory Services, Madrid, Spain

Jan. – Mar. 2018

Analyst Intern – Lead Advisory Team for Global TMT Transaction Advisory

- Worked as part of the five-person Lead Advisory team for TMT headed by the EY Global Lead Partner for Telecom
- Received training in company valuation, cash flow forecasts and synergy analysis, worked on pitches and analyses of M&A deals

Arcano Partners, Madrid, Spain

Sep. – Dec. 2017

Analyst Intern – Investment Bank, Macro Research & Capital Market Sales teams

- Worked on a number of Economic Research Reports, including regional quarterly updates, the potential economic effects of Catalanian independence and the impact of disruptive technologies. Analysed market data and performance indicators, providing quantitative support for industry and company-specific reports.
- Assisted with sales presentations and pitches, including being chosen to participate in a marketing roadshow to London to raise capital for a Spanish REIT

Brown Advisory, London, England

Jun. 2017

Work Experience – Independent Investment Management firm, \$47bn AUM

- Introductory experience of the various divisions of an asset management firm

Outer Temple Chambers, London, England

Jun. '13, Nov. 2014 – Jan. 2015
